ATTESTATION

We hereby confirm that the company “PORTE ARMEE-ALEXIOU BROS Partnership”, with VAT: 082660453, addr. Anastaseos 3 Cholargos 15561 Greece, has signed since June the 19th of 2018 contract with the Certification Body DQS Hellas Ltd in order to be certified by the latter according to the Standards EN 16034:2014 on the following products: “Door systems for pedestrians, industrial, commercial doors, garage doors and opening windows-product standards, performance characteristics-Characteristics of fire resistance or/and smoke detection”, according to the Regulation No 305/11/EU in its production unit in Avlona, Attica.

The audit was conducted on November the 14th of 2018 without detection of non-compliance.

Laboratory tests were conducted at the Laboratory of Structural Materials - Fire Testing of the University of Patras, Department of Civil Engineering.

Based on the test results, the products are classified according to **EN 13501-2** under classes:

E60, EI160.

The issue of the certificate will be delivered to "PORTE ARMEE - ALEXIOUS BROS Partnership" after completion of the internal procedures of reviews and issue by the Body and the evaluation observations by the Hellenic Accreditation System (ESYD) carried out in parallel.
